Winter RV and Boat Show is Going to Make Waves

In This Issue

[Show Details](#)

Hi folks!

We know the economy hasn't completely turned around, but we see signs of improvement. In fact, the attendance and sales at our RV shows over the past year have been strong enough that we've decided to make some waves at our upcoming show in Pleasanton.

Boats.

That's right, we are adding a huge line-up of boats to the already comprehensive list of RVs we offer.

From Jan. 7-17, the [23rd Annual Manufacturers RV and Boat Sale](#) will offer outdoor enthusiasts an unparalleled selection of vehicles, boats and accessories at unbeatable prices. You will be able to see hundreds of products--new and used--speak directly with dealers and do it all in one convenient location at

the [Alameda County Fairgrounds in Pleasanton.](#)

We know it's still rough out there, but the fact remains that RVing is one of the most inexpensive vacation options out there. Savvy travelers know that if you buy now, you'll be saving for years down the road. And lets face it, boating goes hand in hand with the RV lifestyle.

Watch your inbox for upcoming newsletters, where we'll fill you in on show news and share some of the RVing tips and trip suggestions we've gained over our two decades in the business. In the mean time, here are some [ideas](#) for a fall getaway.

Happy RVing and boating!
